Organized by: SEACET-KSCST IPR Cell, S.E.A. College of Engineering & Technology

Date: 22nd March 2024

Time: 12-1 P.M.

Venue: Virtual mode (Google Meet)

Resource Person: Dr. Umang Garg, Associate Professor, Dept. of Computer Science Engineering,
Amity University, Gwalior, Madhya Pradesh.

Dr. Umang Garg, has been working as an Associate professor in department of Computer Science and Engineering, Amity University, Gwalior, MP, India. He is committed to advance both research and teaching in the field of Security. He has combined research and teaching experience of over 13 years and done a significant contribution towards the research community working in IoT security using Machine learning. Dr. Garg has done PhD (IoT Security), M.Tech (CSE), and B.Tech (CSE) for his academic Persiveness. He has published more than 30 research articles with reputed journals and highly indexed conferences. He has more than 8 Patents in his credit in the areas of Machine Learning, Deep Learning, Cyber Security, and Internet of Things. He has supervised 3 Master students and currently supervising two Ph.D. students in Amity University, Gwalior. He is reviewer of various Journals and Conference Proceeding and invited as an expert for session chair in various international conferences. He is Member of CSI and IEEE.

Outcomes of the Session

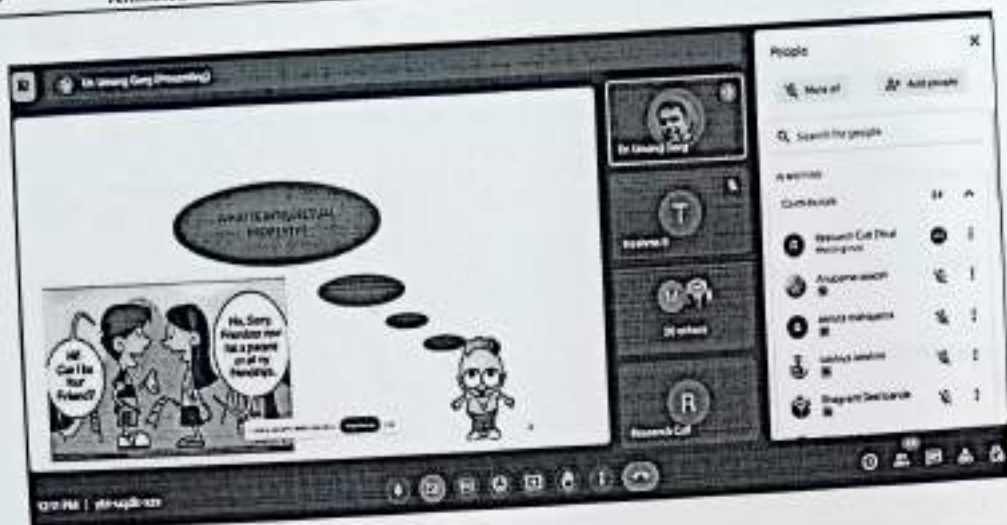

Dr. Umang Garg addressed the significance of filing the patents; approach to file patent from the innovation (idea) to publishing the patent. This roadmap was explained using the various procedures, and forms to claim during the process. Case study was done using Indian Patent Journal (<https://search.ipindia.gov.in/IPOJournal/Journal/Patent/>) publications. The key point conveyed was structure of filing a patent.

WOMEN EMPOWERMENT COMMITTEE
BYOB (Be Your Own Boss) Workshop Report

Right Side Story, in partnership with P&G (Whisper, Gillette & Venus India), organized an exclusive **BYOB (Be Your Own Boss) Workshop - A Personal Effectiveness and Grooming Workshop**. As P&G's official Training Partner, they were dedicated to empowering female students by enhancing their personal habits and skills, ultimately boosting their confidence and preparing them for success in both personal and professional spheres. The workshop was conducted on 8th October 2024 from 11 AM to 12:30 PM. The event was inaugurated by Smt.K.Poornima Srinivasa, Smt.K.Anupama and Ms.Vinisha S Yadav by lightening the lamp followed by wonderful speech by Our CEO, Smt.K.Poornima Srinivasa and Jt.Secretary & Treasurer, Smt.K.Anupama which encouraged the women employees and students associated with our esteemed institution. The event was concluded with a vote of thanks by Sumitha Udaikumar, WEC convener.

OBJECTIVES OF THE PROGRAM

- The objective of women empowerment is to create an environment where women are able to fully participate and thrive in all aspects of life, including social, economic, political, and cultural spheres.
- It aims to eliminate gender discrimination, ensure equal opportunities, and promote women's rights and freedoms.
- women empowerment seeks to challenge and change the societal norms, practices, and systems that limit women's potential and hinder their overall well-being.
- By empowering women, we can create a more inclusive, equitable, and prosperous society for everyone.

OUTCOMES OF THE PROGRAM

- Raising self-esteem and self-confidence of girl students.
- Elimination of discrimination and all forms of violence against women and girls.
- Strive to reduce gender disparities and promote equal opportunities for all. .
- Enhancing women's economic independence.
- Better equipped to make informed decisions regarding their own health and the health of their families

Department of Basic Science

International Literacy Day Report

Organized by: Basic Science Department

Date: 08th Sep 2023

Time: 09:30 A.M.

Venue: A.C Seminar Hall

"International Literacy Day" organized on 08th Sep, 2023 by the Basic Science Department, in association with IQAC and IIC S.E.A.College of Engineering & Technology, Bangalore.

The International Literacy Day celebrations at our college were a grand success, with students, faculty, and staff coming together to promote literacy and education. The event commenced with a welcome speech by the Dr. Naveen kumar A, who emphasized the importance of literacy in today's world. The students then presented a series of cultural programs, including songs, dances, Quiz, Essay writing and skits that highlighted the significance of literacy and education.

Objectives Achieved:

1. Promoted literacy and education among students, faculty, and staff to emphasize the importance of literacy in today's world.
2. Encouraged students to take a literacy pledge and promote literacy in their communities.
3. Collected and donated books to a local library, promoting the cause of literacy and education.

Events and Activities:

- | | | |
|-----------------------|------------------------------|-----------------------------|
| 1. Inaugural Ceremony | 3. Essay Writing Competition | 5. Literacy Awareness Rally |
| 2. Literacy Pledge | 4. Literacy Quiz | |

The college also organized a book donation drive, where students and faculty donated books to a college library, promoting the cause of literacy and education. The event concluded with a vote of thanks and a sense of commitment among the participants to promote literacy and education.

Independence Day Report

Organized by: S.E.A Group of Institution

Date: 15th Aug 2023

Time: 09:00 A.M.

Venue: S.E.A Play Ground

Independence Day organized on 15th Aug, 2023 by the Basic Science Department, in association with IQAC and IIC S.E.A.College of Engineering & Technology, Bangalore. The Independence Day celebrations at S.E.A.College of Engineering & Technology, The Independence Day celebrations at our college were a grand success, with students, faculty, and staff coming together to commemorate India's 77th year of independence. The event commenced with a flag hoisting ceremony, where the honorable secretary D.T Srinivas sir hoisted the national flag, followed by the national anthem. The students then presented a cultural program, which included patriotic songs, dances, skits and march past that showcased the country's rich cultural heritage and the struggle for independence.

The highlight of the event was the speech delivered by the Chief Guest, who emphasized the importance of freedom and the role of the youth in shaping the country's future. The students also presented a series of speeches, poems, and essays that reflected their thoughts and feelings about independence and patriotism. The event concluded with a vote of thanks and a sense of national pride and unity among the participants. The Independence Day celebrations at our college were a resounding success, majority of participants reporting a sense of patriotism and national pride. The event was well-organized and inspiring, making everyone feel proud to be an Indian. The college administration plans to continue this tradition in the years to come, with increased participation from students and faculty.

Activities Organized

On Monday 5th June 2024 our college organized a program on the world Environmental day. All students and faculty members have participated with full energy in this program. Our honorable guests were also present at the program.

Before that week student are did so many works they are all made the badges by our own creation and slogans charts was did by our institution students and our Basic science Department students, coordinators, HOD and Assistant professors also we all together only we did work for the celebrating the environmental day.

The objectives of this program is to spread awareness among people about saving our Environment from various types of pollutions and to plant more and more trees to make our mother earth full of greenery.

Our program started with prayer at 09:00 A.M after that all students and faculty both together are went to rally for spreading the awareness of the environment after that all the students were came to the campus ground for the program. Our honorable guests speech about how the condition of our Environment today and why we need to be aware. He also tells us what steps we should take immediately so that we can make our environment healthy. After the speech student are perform the script about Environment day at the end. We took the group photos with our teachers and honorable guests.

OBJECTIVES OF THE PROGRAM

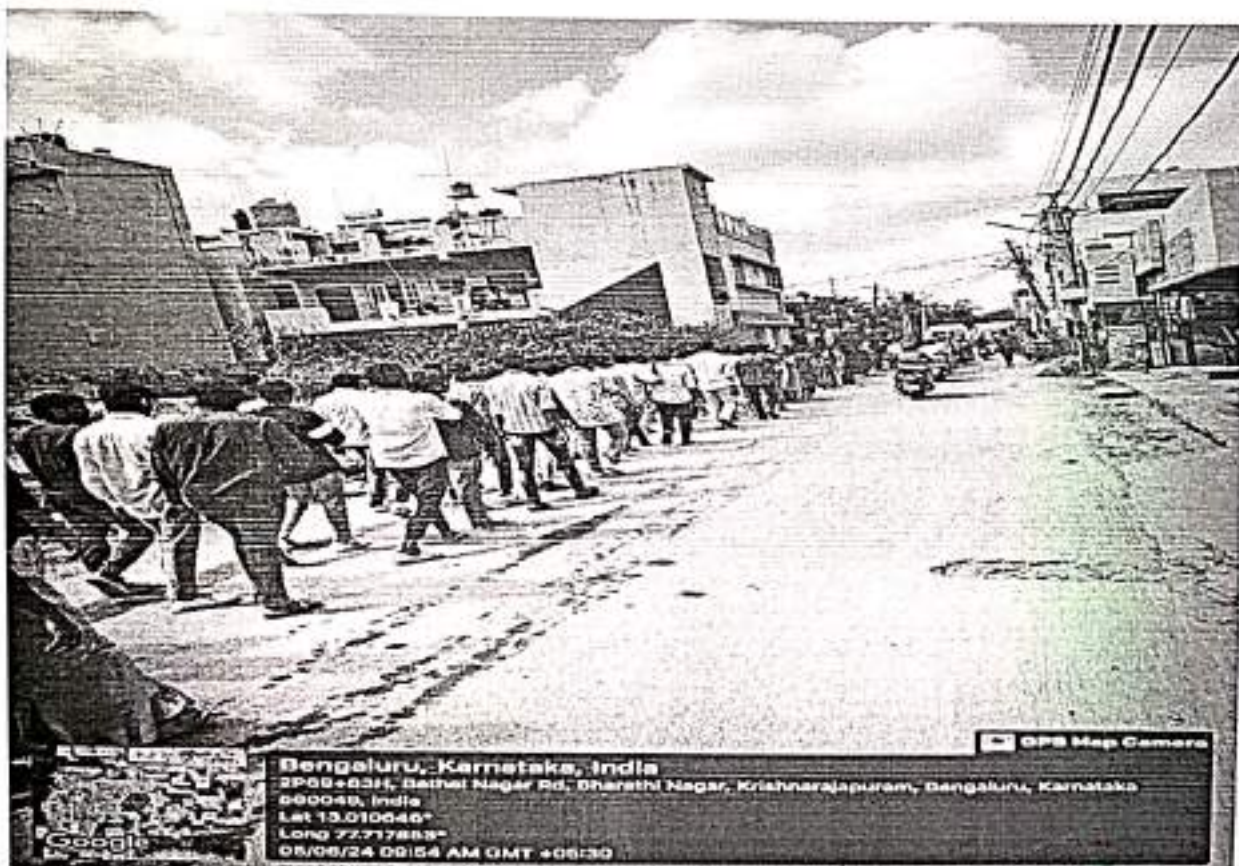

- ❖ The objectives of this program is to spread awareness among people about saving our Environment from various types of pollutions and to plant more and more trees to make our mother earth full of greenery.
- ❖ World environment day is celebrated to make people aware about the environment.
- ❖ Effort are made to bring communities, industries and other people together to save the environment.
- ❖ The purpose of this day is to take attention to environmental issues and not take nature for granted

- ❖ The event obliges everyone to consider newer approaches to minimize resource consumption, create greener models, become more sustainable, train and motivate youngsters to live in harmony with nature, and for them to become custodians of a green future.

OUTCOMES OF THE PROGRAM

- The whole idea of world Environment Day is to create a natural and beautiful world free of pollution or any other scarcity of natural resources. One should always be conscious of their activities and strive to keep our surrounding clean and healthy, protect the natural resources and use them in an efficient and careful manner. Banning plastic, recycling, saving water, plant more trees, saving wild life and animals are some of the steps which lead to a better environment.
- Planet earth is a beautiful place but we human beings have destroyed it for our selfish needs which has led to pollution, scarcity of water, untidiness etc.....
- Exploitations against it is also familiar to us. If we do not take proper steps to save the natural resources, everything will delete one day and we will be left with nothing like water, pure and fresh air.
- It is our responsibility to save our mother nature and protect it from pollution and other things which will lead us to a healthy future and as well as a healthy life.
